The City of New Holstein currently has shovel ready lots available in Tax Increment District (TID) #4. TID #4 is located East/West off of Hwy 57.

Various sized lots are available with options to size to your building needs.

Lots are zoned Commercial and Light Industrial. (see backside of this document)

Through the TID's the City can offer options to assist with development.

These options vary by the amount of assessed value that your project will bring to this District.
